For any information on our products and services that you do not find in this catalogue, please contact us at Manchester, Connecticut. We have a direct Western Union wire for your convenience, and six separate telephone lines listed under Manchester Mitchell 3-1561.

Packaged Nursery Stock

This catalog contains information and prices for our bare root stock. In addition, C. R. Burr & Company has pioneered in the packaged nursery stock field, developing the most attractive packages on the market. You can choose from a complete and balanced list of roses, shrubs, fruits and ornamentals in varying price groups. All plants are root-wrapped in moist imported peat moss for maximum keeping quality while in transit and on sale. We will be glad to send you the complete list and any information you wish in addition. Just call or write us at Manchester, Connecticut. If you so desire, we will have our representative in your area visit with you for a discussion of your nursery stock requirements.

"Growing Since '98"

Dear Customer:

HONEST!

Our Hemlock doesn't look like Page 23 shows it in our price list. Honest. It was a slip of the camera -

But the Price List does contain so many excellent Burr Products that I am almost glad we made this error. It gives me an opportunity to point out some very special blocks of material we have this year.

We have an especially good block of *Taxus Cuspidata* in sizes 12-15 in., 15-18 in., and 18-24 in. Our blocks of *Juniperus Pfitzeriana* and *Juniperus Glauca Hetzi* are extremely compact and in beautiful color.

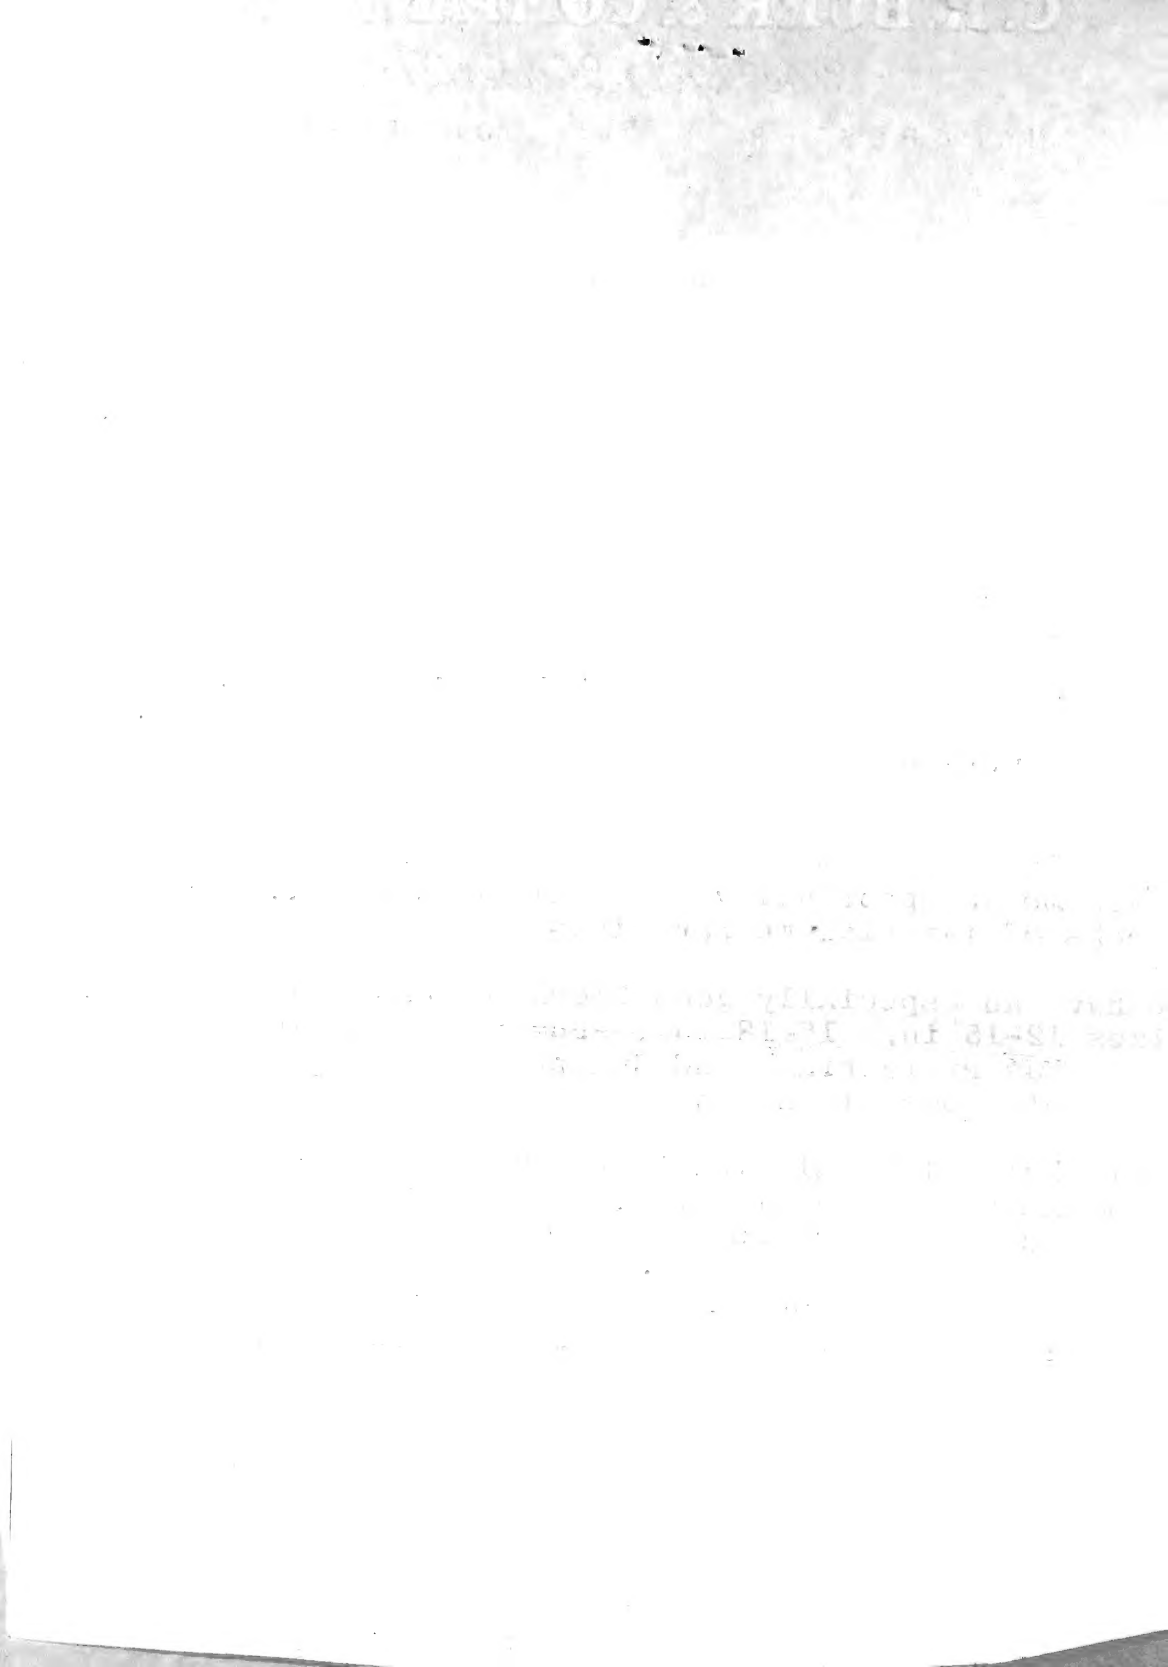

Last, but not least, the block which we show as *Tsuga Canadensis* is actually *Thuja Pyramidalis*. Although we misnamed it, we are really very proud of it.

We would welcome your consideration in placing an order for fall delivery.

Very truly yours,

C. R. Burr & Co., Inc.

Russ Stokes

Plenty of "heft" to the package. Average circumference is 16"!

Compare these features!

Reading from left to right - Peace, Mojave, Show Girl pictured in June in our California rose blocks.
Note the vigor and bloom.

C. R. Burr & Co., Inc., has been "growing since '98" a complete line of northern grown nursery stock, including evergreens, fruit trees, hedge plants, shade trees, flowering trees and shrubs on 600 fertile acres in the Connecticut Valley.

Burr-Grown Roses, justly famous for nearly forty years, are grown in California, Arizona and Texas. We firmly believe we get the finest from each area.

In the past sixty-one years we naturally have made some mistakes. However, these mistakes have increased our knowledge of growing and handling nursery stock and make us better able to serve you, our customers. Photographs of our new storage facilities, land clearance, and new blocks of stock will illustrate that we intend to progress, giving you the best stock and the best service possible.

We started out with a cold wet season this year, which slowed us down for a while. However, as the season progressed, it became evident that the public was in a buying mood and the results were very gratifying.

We have the largest supply of roses being harvested this year that we have ever experienced. These include the 1959 AARS Award Winners Starfire and Ivory Fashion. We also are proud to introduce a new Burr Patent, namely, "Cherry Glow", which is one of the new Grandiflora class with a deep cherry and rose red color. It is a luscious, full blossomed rose with a spicy fragrance. We also have a complete line of the more popular flowering shrubs.

We expect an exceptionally fine crop of ornamental trees this year. The Maples, Flowering Crabs and Mountain Ash are outstanding values and we have a good supply. In lesser supply, but excellent trees, are such popular ornamentals as Paul's Scarlet Hawthorne, Kwanzan Cherry, and Purple Leaf Plum.

The evergreen situation will be much like the Spring '58 season. We are sticking to our standards of shearing and grading to produce good full plants in the grade indicated. This means we may not have the large grades of evergreens, but you can rely on the stock we sell.

Visiting nurserymen are always welcome at our warehouses and farms. Our office is at 119 Oakland Street, North Manchester, nine miles east of Hartford. We will meet you at Hartford or at Springfield, Mass., if you let us know when and where you will arrive. An automobile map is printed on the Index page to show our location.

TERMS AND CONDITIONS OF SALE

C. R. Burr and Company is a member of the American Association of Nurserymen, the New England Nurserymen's Association, and the Connecticut Nurserymen's Association.

All of our stock is graded by standards of the American Association of Nurserymen.

All prices in this catalog are wholesale, and apply only to wholesale quantities as listed. They are based on present market conditions and may be changed without notice. Terms are F.O.B. Manchester, Conn. or Fort Wayne Ind. Prices are less 2% within 10 days, net 30 days. C.O.D. orders are to be accompanied by 25% of the amount of the order. Cash, security or references are required from unknown parties. Correspondents are requested to use their business letterhead to identify them as being entitled to wholesale prices.

Quantity Purchases . . .

We do not break bundles. To qualify for wholesale prices, all orders must be in 12 or multiples of 12 of a variety.

Purchases of 36 or more of one item entitle the purchaser to the 100 rate*.

Purchases of 300 or more of one item are at the 1000 rate.*

(*This does not apply to roses and evergreens which have special discounts)

Shipping . . .

We welcome our customer's instructions regarding shipping. In the absence of definite instructions we will use our own judgement, with the distinct understanding that our exercise of such judgement can not result in any liability by us.

A charge will be made for boxing and crating except when cash accompanies the order. Boxing and crating charges are made at cost.

Claims for shortages, unsatisfactory stock or for any cause whatsoever must be made in writing direct to C. R. Burr & Company, Inc., Manchester, Connecticut, **within ten days from the receipt of shipment.** Any shipment damaged by a transportation firm should be inspected by a representative of the carrier within 48 hours if damage is to be claimed.

Warranty . . .

All stock is warranted to be true to name, and at our option we will either replace or refund the purchase price of any item which is proved not to be the variety listed herein. No further warranty expressed, implied or statutory is made.

PLEASE NOTE—We accept all orders subject to crop conditions, and on condition that orders may be cancelled should injury befall our stock from hail, frost, error in count or other cause beyond our control. All orders are accepted without liability for non-performance if labor shortages or delay in transportation should prevent us from making delivery as specified.

Flowering Shrubs

You can be proud of shrubs you stock when they come from Burr's Connecticut Valley farms. These are hardy, northern-grown plants, cut back and transplanted to produce a vigorous feeder root system with a full, many-caned top. Careful culture based on sixty years of experience coupled with the best modern techniques assure you of the finest shrubs available. Many varieties have bloomed in our nursery rows. All are ready to give your customers an impressive showing during the blooming season after they are planted. We grade by the Horticultural Standards of the American Association of Nurserymen.

DWARF & LOW GROWING SHRUBS

Especially good for the contemporary ranch type architecture.

This selection of shrubs has been listed because of special qualities fitting it to the new homes being built today. These shrubs will stay in scale with the single-story home and the down-to-the ground glass area being featured by today's builders.

DEUTZIA GRACILIS—Dwarf Deutzia.

Graceful nodding white flowers. Small shrub about two feet tall; good for border planting.

	10	100	1000
9 to 12 in.....	4.00	35.00	300.00
12 to 15 in.....	5.00	45.00	400.00
15 to 18 in.....	6.00	55.00	500.00
18 to 24 in.....	7.50	70.00	650.00

BERBERIS THUNBERGI

ATROPURPUREA—Red-leaved Japanese Barberry.

Rich dark red foliage throughout the season. Shining red berries. Three year transplants.

9 to 12 in.....	3.50	30.00	250.00
12 to 15 in.....	4.00	35.00	300.00
15 to 18 in.....	4.50	40.00	350.00
18 to 24 in.....	5.50	50.00	450.00

EUONYMUS ALATUS COMPACTUS

Dwarf Burning Bush.

Compact growing; ultimately four to six feet tall. Brilliant fall foliage.

9 to 12 in.....	6.00	55.00	500.00
12 to 15 in.....	7.00	65.00	600.00
15 to 18 in.....	8.00	75.00	700.00

LONICERA NANA CLAVEYI—Clavey's Dwarf Honeysuckle.

Ultimate height four feet. White blossoms. Compact growth from the ground up.

	10	100	1000
12 to 15 in.....	4.00	35.00	300.00
15 to 18 in.....	5.00	45.00	400.00
18 to 24 in.....	6.00	55.00	500.00

PHILADELPHUS CORONARIUS AUREA

Golden-Mock Orange.

A dwarf type shrub, prized for its bright golden foliage. Fragrant white blossoms compact growth.

	10	100	1000
12 to 15 in.....	8.00	75.00	700.00
15 to 18 in.....	9.00	85.00	800.00

SPIREA ANTHONY WATERER

Bright rosy-crimson flowers in summer. Very free flowering, dwarf, compact shrub, two to three feet. Fine for massing effects.

	10	100	1000
12 to 15 in.....	5.00	45.00	400.00
15 to 18 in.....	6.00	55.00	500.00
18 to 24 in.....	7.00	65.00	600.00

VIBURNUM OPULUS NANA —

Dwarf European Cranberry bush.

This dwarf variety seldom exceeds two feet in height.

6 to 9 in.....	8.50	80.00	750.00
9 to 12 in.....	11.50	110.00	1000.00

Roses

You can choose a complete assortment from our list of 98 roses. There are 56 varieties of patented roses, including 1958 AARS winners, White Knight, Gold Cup, and Fusilier, and recent winners, Golden Showers, White Bouquet, and Queen Elizabeth. In addition, you have 42 varieties of the favorite non-patented roses to choose from.

These are all two-year field grown roses, budded on *Rosa multiflora Japonica*, the hardiest and least suckering of rose understocks. They are cultured and dusted by expert rose growers, then shipped and stored by methods known to keep them in perfect condition.

For the garden center desiring the finest packaged roses, nearly all of these varieties are available in the beautiful foil wraps described on page 1.

NOTE: On Non-patented Varieties . . .

Purchase of 30 or more qualifies for 100 rate.

Purchase of 250 or more qualifies for 1000 rate.

To qualify for above rates it is not necessary that all roses be of one variety.

Fruit Trees

Our choice, northern grown fruit trees result from modern scientific supervision combined with experienced field personnel who have practiced budding, grafting and fruit culture for years.

The inspectors of the Massachusetts Fruit Growers Association inspect our blocks of fruit trees at regular intervals to assure that they are true-to-name.

Height and Caliper

The grade of our fruit trees, as specified by the Horticultural Standards of the American Association of Nurserymen, is governed by the caliper. The height is given to represent the average height for most varieties. Slow growing kinds may fall short of the height specified.

APPLES

	10	100	1000
2 yr., 3-4 ft. $\frac{7}{16}$ -in. cal.....	7.00	65.00	600.00

- **Montmorency.** Bright red. Fine for canning and pies.

Sweet Cherries

1 Year—Lightly Branched

	10	100	1000
$\frac{7}{16}$ -in. cal.	12.00	110.00	1000.00
$\frac{9}{16}$ -in. cal.	13.00	125.00	1200.00

- **Bing.** Large, dark red, firm, tasty. Fine shipper.
- **Black Tartarian.** Big, black, juicy. Hard and vigorous.

*All Burr Cherry trees are grown from virus free buds.

DWARF FRUIT TREES—

Every year sees a marked increase in the sale of Dwarf Fruits. They require little room and are ideal for the small orchard. Only 8 to 10 feet tall at maturity, they are prolific bearers, and will often have fruit in two years.

Dwarf Apples On Malling

- No. I Semi Dwarf**
- No. VII Semi Dwarf**
- No. IX True Dwarf**

	10	100
2-yr., $\frac{9}{16}$ -in. cal.	16.00	150.00
2-yr., $\frac{7}{16}$ -in. cal.	13.50	125.00

Ornamental Trees

The great increase in new housing has resulted in a very widespread demand for ornamental trees. It is our belief that this demand will continue to be strong for several years, and we feel that the ornamentals in our blocks at Ellington will prove profitable for you. They are grown in richly fertilized soil, spaced in wide rows and pruned to produce a desirable form. Our ornamentals have clean, straight trunks and well branched heads.

ACER dasycarpum. Silver Maple.

A large, wide-spreading tree. Bright green leaves, silvery white underneath, turning pale yellow in the fall. Fine shade tree to 80 feet tall.

	10	100
7 to 9 ft., 1" to 1 1/4"	22.50	210.00
6 to 8 ft., 3/4" to 1"	17.50	160.00
8 to 10 ft. 1 1/4" to 1 1/2" in.	30.00	275.00

A. saccharum. Sugar Maple.

Stately, upright, dense habit of growth. Leaves turn bright scarlet, orange and yellow in the fall. A fine street and lawn specimen 50 to 60 feet tall.

8 to 10 ft., 1 1/4" to 1 1/2"	57.50	525.00
10 to 12 ft., 1 1/2" to 1 3/4"	82.50	
10 to 12 ft., 1 3/4" to 2"	97.50	925.00
12 to 14 ft., 2" to 2 1/2"	135.00	

A. platanoides. Norway Maple.

Round, compact head and spreading branches. An excellent street or lawn tree reaching a height of 40 to 50 feet.

	10	100
8 to 10 ft., 1 1/4" to 1 1/2"	47.50	425.00
10 to 12 ft., 1 1/2" to 1 3/4"	72.50	675.00
10 to 12 ft., 1 3/4" to 2"	87.50	825.00
12 to 14 ft., 2" to 2 1/2"	110.00	1025.00
12 to 14 ft., 2 1/2" to 3"	125.00	1150.00

Acer platanoides Schwedleri. Schwedler Maple.

Leaves bright purplish and crimson in spring, becoming dark green and then red and brown. Grows 40 feet high.

6 to 8 ft., 3/4" to 1"	32.50	300.00
7 to 9 ft., 1" to 1 1/4"	40.00	360.00
8 to 10 ft., 1 1/4" to 1 1/2"	52.50	475.00
10 to 12 ft., 1 1/2" to 1 3/4"	77.50	725.00
10 to 12 ft., 1 3/4" to 2"	92.50	875.00
12 to 14 ft., 2" to 2 1/2"	120.00	

A. rubrum. Swamp red Maple.

Beautiful spring and fall colors. Habit of growth permits more light for lawn growth under tree than many shade trees.

7 to 9 ft., 1" to 1 1/4"	32.50	300.00
8 to 10 ft., 1 1/4" to 1 1/2"	45.50	400.00

SPECIAL

Faasen's Red Leaf Maple.

This tree has a deep crimson-black leaf that holds its color throughout the season.

	10	100
6 to 8 ft.	50.00	
7 to 9 ft., 1 to 1 1/4 in.		60.00
(branched)		60.00
8 to 10 ft. (branched)		70.00

Variegated Leaf Norway Maple.

This tree has all the characteristics of the Norway, but the leaf has a silver-white border. See the photo on page 21.

	10	100
6 to 8 ft., 3/4" to 1"	45.00	425.00

Evergreens

You may choose from acres of well-grown reasonably priced evergreens at our South Windsor and Ellington farms. They are grown in soil especially well adapted to produce the fine fibrous root systems so essential to digging with a good firm ball. The majority of our lots have been treated so that they can be certified for shipment out of the Japanese beetle quarantine area.

JUNIPERUS chinensis Pfitzeriana.

Pfitzer Juniper. One of the most popular of the spreading types; hardy with handsome gray-green foliage.

	10	100
12 to 15 in.....	22.50	200.00
15 to 18 in.....	27.50	250.00
18 to 24 in.....	35.00	315.00
24 to 30 in.....	40.00	365.00

J. communis Sabina. Savin Juniper.

A spreading variety with slender branches of loose form and dark green foliage. Good for foundation planting.

	10	100
12 to 15 in.....	15.00	135.00
15 to 18 in.....	22.50	200.00
18 to 24 in.....	28.50	250.00
24 to 30 in.....	32.50	300.00

J. communis hibernica. Irish Juniper.

A slender, columnar tree with formal lines. Grows 5 to 6 feet tall.

18 to 24 in.....	\$12.50	\$110.00
2 to 2½ ft.....	15.00	135.00
2½ to 3 ft.....	19.00	175.00

J. glauca hetzi. Hetz Blue Juniper.

A spreading type similar to pfitzer in habit but with a handsome blue gray color.

12 to 15 in.....	21.00	190.00
15 to 18 in.....	26.00	235.00
18 to 24 in.....	33.50	300.00

NEW CORLISS EUONYMUS—PATENTED

Here is something new! . . . the broadleaf, evergreen beauty of *Euonymus vegetus* foliage especially developed into four shrub forms. These perfectly hardy plants make up into four forms, as listed, without support or special training. They will, however, respond to shearing if a slightly altered shape is desired. Here is more than a new variation of a familiar plant . . . these forms of *Euonymus*, because of their hardiness, will make the broadleafed evergreen shrub available for landscaping use where the climate prohibits such items as Azaleas, boxwood and holly.

Emerald Pride—Patent 1073

Neat, compact evergreen shrub of ovoid form, with an ultimate height of four feet and spread of about three and one half feet. Distinctly upright growth from one stem without support.

Emerald Charm—Patent 1079

Exceptionally compact specimen for upright narrow shape. Suitable for a pillar shrub, hedge, or pyramid. Ultimate height four to five feet, spread about 18 inches. Both this and Emerald Pride respond to shaping.

Emerald Cushion—Patent 1112

As its name implies, Cushion is the shortest of the family, adaptable as a ground cover or facing-down shrub. Very slow-growing, reaching an ultimate height of 18 inches.

Emerald Leader—Patent 881

Compact, ovoid-upright form. Good for specimen.

PRICES: B&B	All four varieties,		
	1-24	25-249	250 and up
12 to 15 in.	\$2.10 each	\$2.00 each	\$1.90 each
